

Abama Resort Tenerife Launches Exclusive Custom Plots with Ultravilla Potential

February 2024: The 5* resort of Abama Tenerife is delighted to present four custom villa plots, marking a rare opportunity for buyers to design their dream holiday home. Nestled in front-line positions along the resort's award-winning golf course, these coveted sites offer breathtaking views of the Atlantic Ocean, and symbolise an unparalleled lifestyle offering for the Canary Islands. Prices start from €1,060,000.

Ranging from 8,729 sq.ft. to 10,742 sq.ft, with buildable areas spanning 3,487 sq.ft. to 4,294 sq.ft. these rarely available plots give buyers the freedom to create a fully bespoke home combined with all the luxury and convenience of resort living. Owners can choose to conduct the design and construction process themselves, or leave the task to Abama's management team, who can bring buyers' visions to life with its black book of experienced architects and interior designers.

Whether buyers are drawn to stark contemporary lines or the organic curves of nature, each new villa will arm its owner with the architectural freedom to design the perfect piece of paradise. Abama's existing completed self-build plots represent the island's most extraordinary homes, crafted by eminent studios including Andrés Mazuelas and Leonardo Omar Architects. Masterpieces of design, these bespoke villas offer sophisticated living spaces that harmonise with the stunning natural beauty of the island.

With a pleasant average temperature of 21°C, residents can expect to enjoy Abama's world-class amenities all year-round. As a former banana plantation, the 400-hectare resort boasts family-friendly facilities including a newly-resurfaced tennis complex, 18-hole championship golf course, private sandy beach and 12 restaurants and bars, two of which herald Michelin stars. The social hub of La Plaza also offers shopping, dining and leisure facilities and the Sandára Wellness Spa, which is set to open this spring. This state-of-the-art spa boasts six treatment rooms, hydrotherapy pool, sauna and steam, nail parlour and Kevin Murphy hair salon.

Safety and privacy are also paramount at Abama, with 24-hour security ensuring peace of mind for all residents. A comprehensive suite of property management services is also available on
